Janet wants a picture of Planet Earth for a poster she is making to advertise her business. She goes to NASA.gov and finds the following image and caption, and features it prominently in her ad.

If Janet was sued, how likely do you think it is she would be punished for copyright infringement?

Extremely likely	Somewhat likely	Neither likely nor unlikely	Somewhat unlikely	Extremely unlikely
○	○	○	○	○

If the owner discovered the work was being used in this way, how likely do you think the owner would be to take action to enforce their legal rights?

Extremely likely	Somewhat likely	Neither likely nor unlikely	Somewhat unlikely	Extremely unlikely
○	○	○	○	○

What do you think would be an appropriate punishment for this use, if any?

- No punishment
- A warning
- A fine equal to the money lost by the copyright owner
- Paying the copyright owner's legal fees for the lawsuit and several thousand dollar fine
- A large fine, the copyright owner's legal fees, and at least a year in jail

Personal Use Vignette

Ted finds the following image through a search engine. The search result is presented as follows:

© 2018 Smith Brown. All Rights Reserved.

He downloads the image, prints only the image at poster size, and hangs it up in his living room.

If Ted was sued, how likely do you think it is he would be punished for copyright infringement?

What do you think would be an appropriate punishment for this use, if any?

- ○ No punishment
- ○ A warning
- ○ A fine equal to the money lost by the copyright owner
- ○ Paying the copyright owner's legal fees for the lawsuit and several thousand dollar fine
- ○ A large fine and at least a year in jail

Educational Use Vignette

Susan, a schoolteacher, publishes a book of nursery rhymes. On the inside of the book's front cover, she includes this notice:

© 2018 Susan Brown. All Rights Reserved.

A commercial publisher, Yellow Books, reprints copies of her book and sells 20,000 copies to schools for profit without her permission.

If Yellow Books was sued, how likely do you think it is they would be punished for copyright infringement?
